Passionate About People

Amber Housing have been providing quality housing management, property development and other housing related services to people living in Ambient's services and other housing settings since we started operations.

**We have an expert and knowledgeable staff team with many years of experience in social housing and housing related provision.**

**We manage over 150 locations across the UK, covering homes in:**

Lincolnshire	Norwich	London
South East	East Anglia	Midlands

## What we do

We deliver a range of property and facilities management services for Ambient Support. This involves maintaining the physical aspects of a property such as the **buildings, equipment and grounds.**

### We also help with:

- Signing you up for your new home.
- Reporting repairs.
- Advice on how to keep your tenancy in accordance with your tenancy agreement.

We also provide these services to other external partner organisations and housing providers.

Amber Housing both own and manage self-contained properties and shared homes.

**Our staff have specialist knowledge and expertise in housing, facilities management and working with adults with additional needs and their support network - enabling people to live independently in their communities.**

## Who we work with

We work with a range of organisations that might need our specialist services. These include the NHS, Registered Social Housing providers, Adult Social Care, Private Landlords and Property Developers.

**We have ambitious growth plans over the coming years and are a growing and evolving not-for-profit organisation.**
