Passionate About People

Amber Housing are part of a charity called Ambient Support.

We provide and manage homes for people with care and support needs.

We have 150 homes across England.

What do Amber Housing do?

We make sure that everything works properly in the buildings and in the gardens.

We help sign you up for your new home and tenancy.

We offer housing advice and tenancy support to you.

We can help you to report anything that needs fixing in your home.
